OK.?

writing is hard. If you really don't know what or how to write. I'm glad I got to know you a little better this year and hope to know you better some more next year. Grow well this summer in knowledge and wisdom.

Ted
Eysdell

Kelly,

It's been a wonderful year knowing you in both Self-Expression and Expository Writing! I'm glad I got to know you — you're sweet and funny and a neat person to be with! The Dr. Pepper commercial was fun, wasn't it? Our whole skit was fun with Dean and Melvin Kleins and Lori as Miss Saaywhaat! Ferrante enjoyed the class as much as we did. That's the impression I get anyway!) Enjoy your summer! Just think you'll be a SENIOR next year and I'll be a lowly Freshman! (but I'll be a lowly Santa Clara U.!) Hope you make the most of your senior year! You'll get a blast out of it if you do and I'm sure you will! I'll be back at Milby within the year — hope to see you!

Best of Luck in your future years!

Love
Pat Cerulla

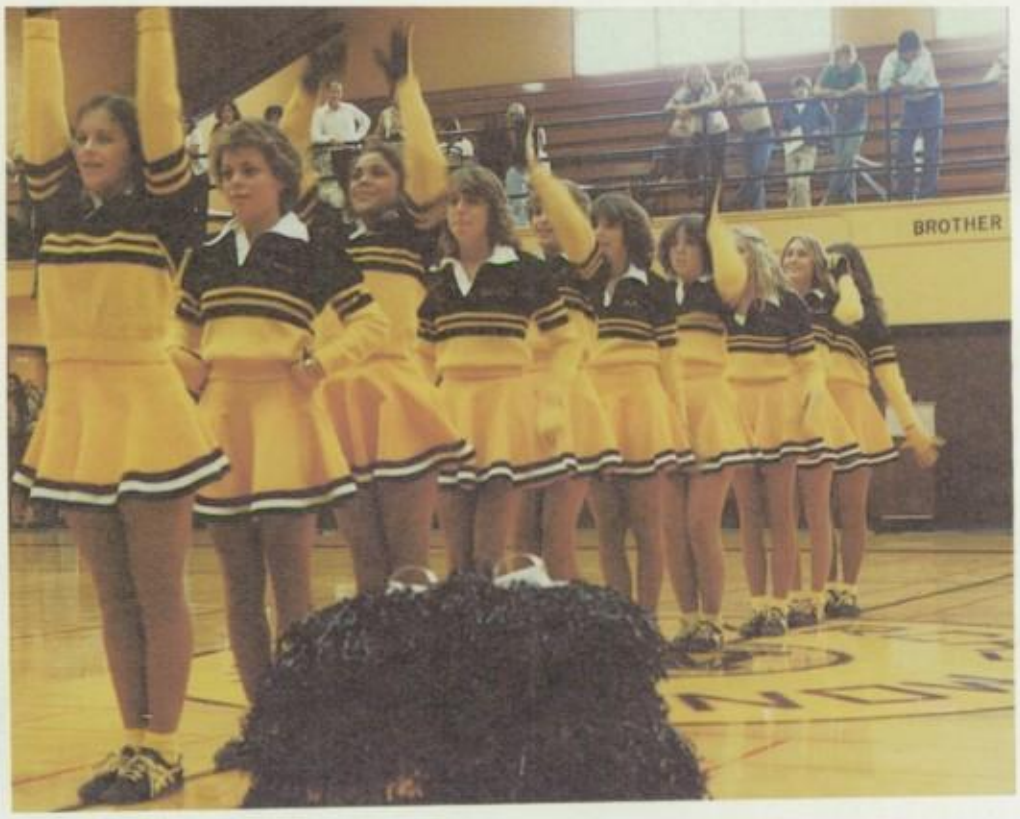
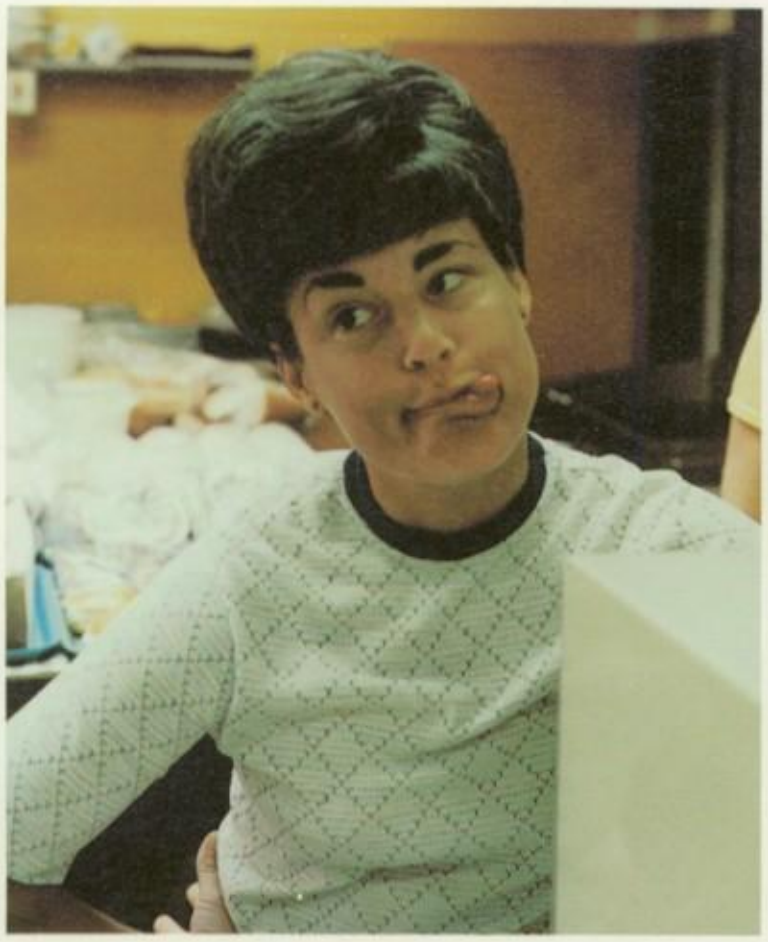
So many things to do
So many places to go
Things are moving fast
And you are moving slow





You're trying to keep up
And trying to get things done
You're going out on free time,
trying to have some fun.

You know you'll keep going
And you'll get the job done
And during every free moment
You'll make time to have fun

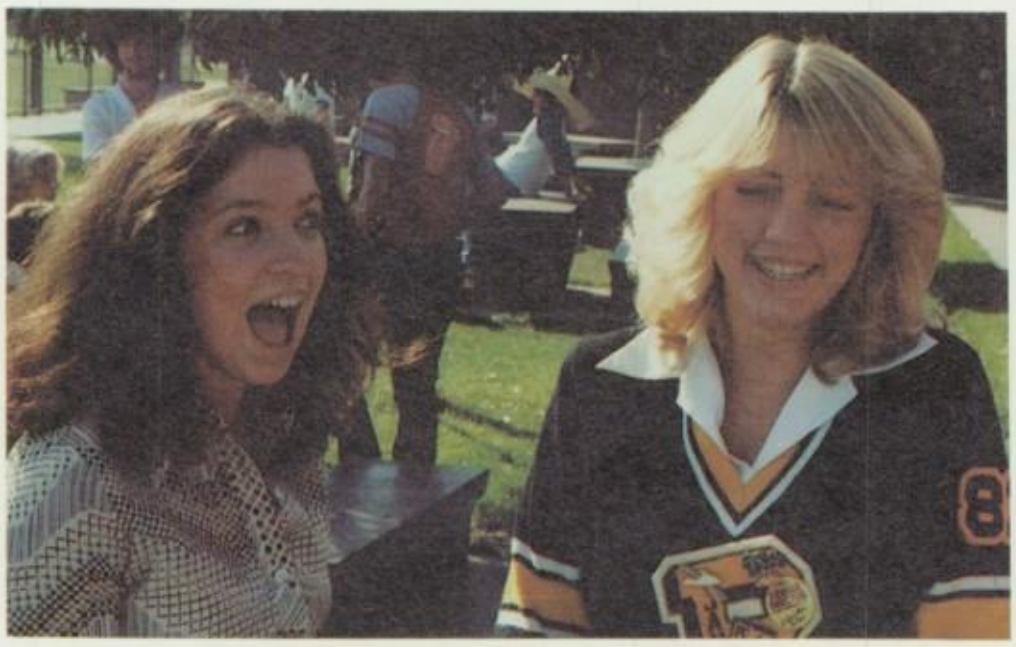
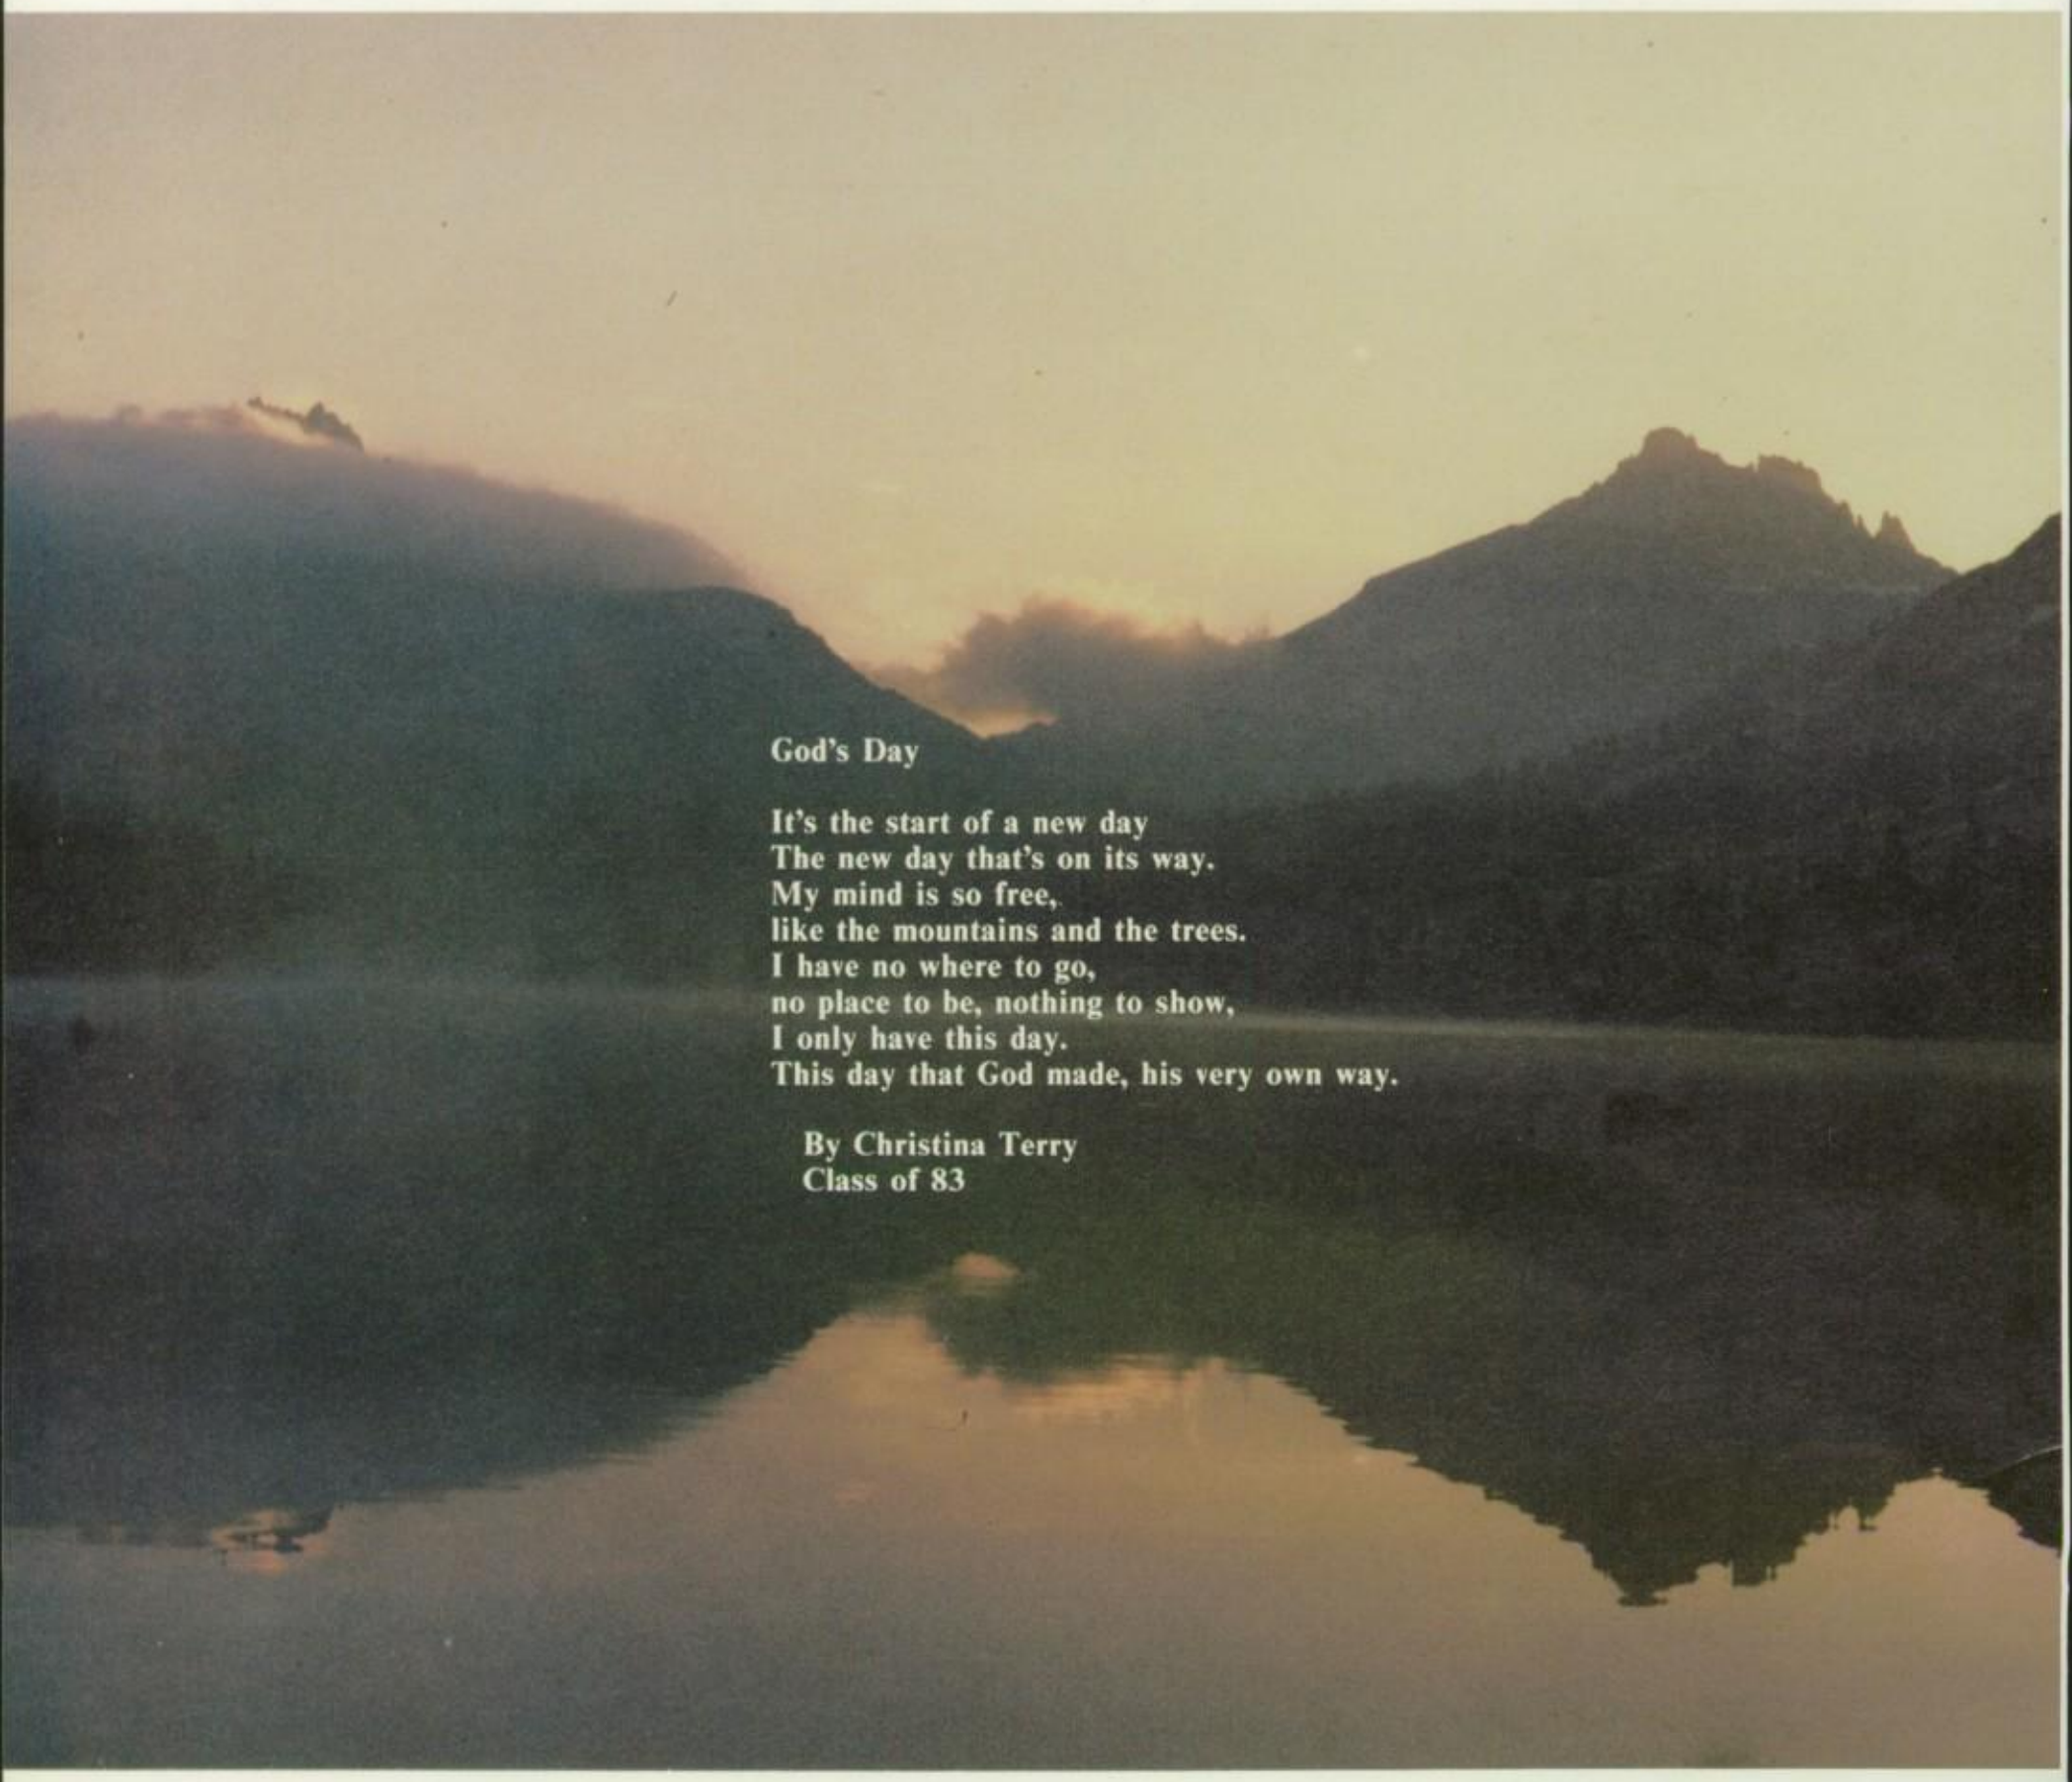
BEAT SANTA





God's Day

It's the start of a new day
The new day that's on its way.
My mind is so free,
like the mountains and the trees.
I have no where to go,
no place to be, nothing to show,
I only have this day.
This day that God made, his very own way.

SENIORS

Kelly
Well the end of the year is here & it's not as bad as I thought! next year we'll be seniors & we'll rule the school! I'm really glad that we got to know each other a little bit better than before! We should go out more often like that Friday night! Have a chance summer & maybe we'll have some classes together, hum?! I know I'm boring but I can't write very well in yearbooks. My apologies!

Love Always,
Marianne

Spirit Week

Spirit Week

Spirit Week this year was fun and exciting with students participating in various crazy stunts, especially the egg toss, the shopping cart race, slaughter ball, pie eating and the 3 legged race, just to name a few.

Pictures (page 104):1. Students waiting to race, 2. The 3-legged race, 3. The winner of the pie eating contest, 4. Lori being dumped again.(page 105)1. Slaughter ball, 2. Pie eating, 3. Joan & Lisa, 4. Mr. Beedles playing volleyball.

Rallies

Rallies are an important part of **Mitty's spirit.** The rallies were very entertaining because they display the students interests in sports and activities. Not only did the students participate in them but the teachers did also.

Pictures 1: **-Scott Lehr and the singing telegram.** Picture 2: **-Spirit Leaders lead crowd in cheer.** Picture 3: **-Steve Lara** and **John Faylor** sing a Hawaiian song for crowd.

Retreats

Mitty's Religious Community sponsors many retreats for all grades. The senior retreats consist of 3 days of learning about the individual. The junior and sophomore retreats are overnight and are a lot of fun! Many of the different organizations also schedule retreats during the year, this brings about a friendlier student body. **Thanks Mary Desiliva, and Brother Dennis.**

Christmas Mass

The Christmas tree and presents.

Coach Brown (Santa) gives a child a gift.

A child opens her presents.

The Annual Mitty Christmas Mass and Party included the **"adopt a child for a day"**, this program was started by **Campus Ministry** who brings underpriveleged children to a special party. The party is put on by the students who buy gifts for their sponsored child. This brings about a special pride in the students, while providing joyful Christmas to children who wouldn't have one without this program.

Father-Daughter Dance

Mr. Oddo and his band

Monika and her dad having fun

The **Monarch Staff's** major fund raiser this year was our annual Father-Daughter Dance. The music was highlighted by Frank Oddo's Band. The dancing continued through the evening with a door prize raffle being held before the end. The dance proved to be an enjoyable evening for both fathers and daughters as well as a success for the **Yearbook Staff.** We appreciated all who came to share in this special evening and look forward to next year's dance.

The J.V. & Varsity Tennis Group shot.

This year's **Tennis Team** showed that hard work and good sportsmanship can make even a losing season enjoyable. There were many strong teams in the league this year, but the **Monarchs** entered each match with high spirits. Although the final record was 3-10, with the addition of many talented freshmen, there are **great hopes** for the future of **Mitty's Girl's Tennis program. Coach Mario Teran** said, "I think that the team will be very strong in upcoming years."

Mitty's Varsity Volleyball team had its most successful season this year, **capturing the league title** and **fourth place** in the **128 school CCS finals** The girls started practicing three hours a day in mid-August; pre-season games began shortly after school began. September 13th say the **Monarchs** in the Saint Francis Tournament, where they took **second place.** Three members of the team were named to the all-tourney team. On September 27th, they traveled to UC Davis for another tournament. There they placed **second in their bracket.** League games began with one in a long string of wins, with Mitty winning all of its matches in two games. League play-offs did nothing but improve the **Monarchs** record. **CCS play-offs** were not as easy. Mitty suffered its first loss in eight weeks in the Region I play-offs at Serramonte High. They still captured second place and qualified for the sectional play-offs. Suffering a devestating loss to the favored team, Los Altos, Mitty fought their way up through the loser's bracket. Mitty's best match of the season was in these play-offs against Harbor High. They lost the first game 2-15, but with a remarkable comeback, Mitty won the next two games 15-11, 15-11. The season ended this year with a 15-13 loss to Gunn, giving the **Monarchs fourth place** in the **CCS.** All in all, it was a **great season!**

This season was the best ever for the **Mitty Girls' Soccer Program.** At the end of league play, the **Monarchs'** record was an awesome 10-1-1. **Mitty** won the **Girls' Private School League** with no problems at all, only letting their opponents score a couple of goals during the entire season. The girls play an intense, high powered game with rapid defensive-offensive transitions. Perhaps the most impressive victory for the **Monarchs** came against Notre Dame, San Jose. **Mitty** outscored them 14-0. This strong and dominating style has advanced **Mitty** to the **CCS** playoffs.

Missing-Krista Poston

This is the first year **Mitty** has had a **Junior Varsity Girls' Soccer Team.** They were coached by Mrs. Georgia Norbutas, who did an excellent job in shaping the girls into fine soccer players. The girls didn't play many games, but when they played they dominated their opponents; few balls got past the Monarchs' defense. In the future, these girls will be a promising and vibrant addition to the **Mitty** Girls Soccer program.

The **Girls Varsity Basketball team** had an incredible season this year. There were many returning players who displayed their expert knowledge of the game. The girls were in a very easy league this year (**GPSL**), but made up for the lack of competition by scheduling tougher, non-league games on Saturdays. Even though it was hard on the girls to have three, maybe four games a week, these games gave the girls the extra practice needed to prepare them for the CCS playoffs. Examples of the **Monarchs** league dominance are against Notre Dame-San Jose, a 96-6 massacre, and Sacred Heart, a merciless 98-24 victory. Their league victories were not the only wins of this season. Early in the season the Monarchs won an incredible game against Los Gatos. Mitty will be looking for more victories like this in the CCS playoffs. Good job girls.

The Mitty Junior Varsity Basketball team had a fantastic season. The team was somewhat inexperienced at the beginning of the season, but as time passed the team got better and better. Though the team was mainly comprised of freshmen, returning sophomores Denise McEfee and Sue Anderson led the team to many victories. Everyone put in many hours at long practice and this enabled the girls to become fine basketball players. Look out for these girls in future years.

Varsity Football started out red hot by winning 4 out of 4 preseason games by considerable margins. They started the season with a big win over Sacred Heart. As the season continued the mighty **Monarchs** slipped, losing 4 consecutive games to S.I., Bellarmine, Riordon, and Saint Francis, but came back and played up to their ability and beat Serra handily. Many people knew the **Monarchs** had the potential to go to the C.C.S. championship but they had a lot of bad breaks and bad luck. The 1981 Varsity Baseball Team

The teams outlook on the season is very optimistic. The team this year showed a great ability to play team baseball. The team knew it wouldn't be an individual effort that would win ball games; they knew they had to play as a team to achieve the team goals. The team has played 5 pre-season games thus far and has a record of 2-2-1. The team raps-up their pre-season against Amador Valley. We are sure they will have a promising and exciting season. **Good luck Varsity.**

The Monarch Staff has worked under horrible conditions, yet we finished the 1981 yearbook. Many people we would like to thank: Lani Miller, Mrs. Gillen, Sr. Anne Francis and Mrs. Downey, and some photographers who aren't pictured, Mr. Sumner, Mr. Crampton, Tracey Garrigues, and Joe McCarthy.

A Letter From The Editor

Finally it's the last deadline and it's time for me to write Editor's Page. I feel I must thank Kathy Uzzardo, last year's editor, for letting me express my creativity through this book. In this book is the sweat and tears of the staff and myself. We hope you enjoy this book. I would also like you to experience the feelings of an Editor.

The days of an Editor are long and hard. Everyone always seems to have an idea of a certain thing they would like to see in the yearbook. The only problem is that most of these people think the deadline is in May and not in November. The frantic seniors who will come up to you and ask if they still have time to get their picture taken. Your mind becomes boggled with job numbers, style numbers and point sizes, that you think you'll never get straight. But soon everything becomes clear and the first deadline is upon you, and your staff of 30 has dwindled down to five people who are willing to do almost anything for you. These are the people who spend their weekends on yearbook, just so that it will get here by June. These are the people who redo layouts or rewrite copy. To these people I owe my life. They have cheered me up and have kept me cooled down when I wanted to scream at someone. I want to say a special thanks to:

Maggie Beers is the one who spends the many needed hours in the darkroom to develop and print some of the finest pictures. Next year she will be co-Editor. I feel she will do a great job.

Christina Terry is the one I can always count on to help during a dead. She too will be co-Editor next year.

I would also like to thank Michelle Thompson for her fine work on the senior section. I wish that the senior class knew how difficult it is to be able to put the senior questionnaire, as well as the senior best, in the yearbook.

The girls sports section was done by Jeanne Thompson. I would never know how many pages I would get from her from deadline to deadline, but she came through in the end.

The division pages were done by Krista Anderson, Tayna Orosco, Christine Michaud, Christine Constant, Rosanna Hancock and Shaun Sheehy, who spent many hours matching the mug shots with their names.

One of the best sections in this yearbook is the ad section, which was headed by Mike Stiveletti. He spent many hours on the telephone pursuading businesses to sponsor the yearbook. This is done to keep down the cost of the book.

Dean Gullotis headed up the faculty as well as took hundreds of pictures to help this book capture the true Mitty experience.

I would also like to thank the rest of the staff who were non-section Editors, but who spent many hours typing, writing copy and taking pictures.

This year has not been easy for me. The staff lost most of our photographers at the semester, so many sports events we had trouble bringing you. I would like to thank Mr. Glazzy and Quan Pham who took soccer pictures for us. I would also want to thank Rody Torres for his cooperation during the fourth deadline.

Cooperation from the faculty and staff is essential for a good yearbook. Many of the coaches have been very nice to us this year. Pete Petrinovich, Mr. Teran, Mr. Mosunic, Rudy Torres and especially Coach Brown. This year Coach Brown gave us season passes, which were greatly appreciated, because this meant that the staff didn't have to pay for games we photographed.

The staff does many things that many Mitty people do not recognize. We do more than just photograph games. We also print and photograph for the Homecoming program, the fall season sports program, we give speeches on Parents Night and do an exhibit on open house. So, I hope the Mitty community sees that hard work the Monarch staff puts in.

I have a special thanks to two special ladies who have helped me out greatly. They are Mrs. Miller and Mrs. Gillen. They always had encouraging words when I really needed someone to have faith in me. I really appreciated the many times they helped out.

Yet, I want to thank my family who put up with me during the deadlines, and especially my mom who let me use her studio to lay out each of the five deadlines. I also want to thank J.R. Myers (our Jostens Representative), and Rodd Capps (The Jostens Manager). These two men answered many of my questions.

I want to thank Bro. Dennis and the Brothers Residence for giving us pictures and letting us in the school after the school had closed.

This book has been a great teacher to me. I have learned I can handle any situation if I just put my mind to it. The responsibility of this year has made me grow as a person.

Now as I finish this page, the entire book will be in Visalia, and I'm beginning to feel relieved. But before I finish this letter I would like to thank Nancy and Lisa for doing the club section. This section is very difficult, and very time consuming. I would also like to thank everyone who gave me their support during the course of this book.

Thanks!
Michelle C. Dunn
